IVC CARPET TILES

IVC carpet tiles are Made with high-quality materials for durability and easy maintenance, they can be used in a wide range of commercial projects. With collections sharing colour palettes that let you design freely with mix and match, carpet tiles can respond to design challenges of modern spaces.

Fox collection is a solid colour carpet tile with a subtle texture and tonal differentiation. The collection embodies the base colours that are essential to any office space and create the backbone pallet of workplace spaces. Fox is therefore a classic, always in fashion collection that is adaptable to a variety of styles and interiors.
