Tapes

We offer many different specifications of tape to suit your various requirements. All are designed to give a strength of finished seam in excess of British Standards.

Tape is important for joining floors, repairing damage that occurs during instalment, and protecting against moisture. The finished seam strength will also depend on selecting the right tape for the job and using the best tools. Our range includes double-sided carpet tape, vinyl flooring tape and adhesive tape among many more.

Grippers

Gripperrods, one of the best-known flooring brands in the UK, offers quality, consistency and reliability. Their highly regarded products include carpet gripper rods, heat seaming tapes and tools as well as single and double-sided tapes. Gripperrods products ensure a high-quality floor fitting and provide the extra finishing touches so the flooring looks its best.

Synonymous with the manufacture of carpet gripper, Gripperrods is now the only manufacturer in the UK. The brand is known and trusted by consumers and the flooring trade throughout the world.
